

Cable Management for Stand-Up Chassis

Overview

Cable positioning needs to accommodate vertical movement when you raise your desk, requiring flexible routing to prevent tension on connectors. Made with chemicals safer for human health and the environment. Manufactured on farms or in facilities that protect the rights and/or health of workers. Proper cable routing ensures smooth. Professional Solutions for Height-Adjustable Desks Transform your sit-stand desk into an organized, functional workspace with these professional cable management solutions that work at any height. Sit-stand desks require cables that accommodate movement without creating tension, slack, or tangling. Smart Filtering As you select one or more parametric filters below, Smart Filtering will instantly disable any unselected values that would cause no results to be found. Beneath most desks in the modern workplace is a growing chaos of cords. The Steelcase Universal Cable Management Kit makes neat work. Stand Up Desk Store's Desk Cord Management Tray and Cable Raceway solutions help you tame unruly cords.
