

Can custom-made fiber optic cables be returned

Overview

What's more, all custom cables are backed by a lifetime guarantee against defects in workmanship. Any Color! All Custom & OEM quote are returned to the customer within one business day. The foundation of every first-class fiber optic solution is the choice of the right material. We offer a broad range of fiber types: fused silica (Silica/Silica) for laser and UV applications. Build and buy your perfect custom fiber optic cable made to your exact specifications with quality that's essential for a reliable and robust product. We stand behind our workmanship for life with our Lifetime Warranty. Just a few of the options available include: Connector Configuration: LC, SC. Can fiber optic cable be recycled?

Yes—fiber optic cable can be recycled, but it needs the right route because it's a mixed-material product (glass fibers, plastics, and reinforcement), not a clean metal stream. Is fiber optic cable considered e-waste?

Often, yes—especially patch cords and. Our Fiber Optic offerings are designed to provide you with everything you need to connect your fiber optic network, from the fiber cables, patch panels, termination boxes and cleaning supplies. Use our online cable configurator for custom fiber, copper, and RF cables, delivered quickly.
