

# Rwandan spot fiber optic splice 24 cores

## Overview

Engineered for maximum durability, this horizontal fiber optic splice closure offers IP68 waterproof protection and supports 6 to 24 cores. We install reliable electrical and solar power systems tailored for telecom and remote site energy needs. We provide fast, expert support and routine maintenance to keep telecom. We have a full range of fiber optics cables, patch cords, termination boxes, patch panels, transceivers and media converters.
