

South African long-distance optical cable with 24 cores

Overview

Introducing the 24 Core CST SM (9/125) PER METER - Fibre, a top-tier solution for high-speed data transmission. This fiber optic cable features 24 single-mode fibers, protected by a robust Corrugated Steel Tape (CST) armor, ensuring durability and resilience in various environments. This premium fibre optic solution is designed for long-range data transmission with minimal signal loss, making it an essential component for telecom infrastructure, data. Fibre optic cables are network cables that contain one or more transparent optical fibres that are used to carry light. 24 Core Single Mode CST Fibre Optic Cable - Attac The Attac 24 Core Single Mode CST Fibre Cable is engineered for direct burial and duct installation where. Heavy Duty Duct 24 Core Multi Mode Fibre Cable LT50SJNA24BK-L is backordered and will ship as soon as it is back in stock. This item is a deferred, subscription, or recurring purchase. By continuing, I agree to the and authorize you to charge my payment method at the prices, frequency and dates. YOA Cable, Africa's largest optical fibre cable manufacturer, is known for delivering world-class optical fibre products and exceptional customer service.
